Simply Brilliant

Smart Station

Model. LS082WH / LS083WH

User Guide V 2.0

SMART STATION

- ① Power Adapter Port
- ② Factory Default Reset Button
- ③ Ethernet Port
- ④ Indicator Light
- ⑤ Equipment Barcode and Serial Number

PRODUCT INTRODUCTION

As the central hub of the LifeSmart Smart Home System, the LifeSmart Smart Station connects all the LifeSmart devices with each other wirelessly. It allows you to monitor, control, and automate home environment remotely. You can even trigger actions, such as recording videos or turning on/off lights from far off.

LifeSmart Smart Station is a HomeKit-enabled smart bridge. With Smart Station, you can use Siri and Home app on iOS devices to check status of smart devices and control them.

With the help of LifeSmart Cloud services and other amazing technologies, every single home will become a smart home, every single office will become a smart office. LifeSmart, Simply Brilliant.

SET UP

Our LifeSmart Smart Station requires the LifeSmart App and LifeSmart Account to operate. Please download the App to your smart devices. The App is available by scanning the following QR Code, or go to the Google Play Store or iOS App Store directly.

▶ Method 1

www.ilifsmart.com/getapp.html

▶ Method 2

SET UP

- ① Open LifeSmart App, choose to register account or use HomeKit mode to enter homepage.
- ② Plug in the LifeSmart Smart Station and connect the Ethernet cable to your router. The indicator light will flicker briefly as the system initializes and establishes a network connection. When the light remains on, the connection is successful.
- ③ In LifeSmart App, initiate 'Add Device', choose 'Smart Station' .
- ④ Follow the instructions in the App to complete setting up your Smart Station.
- ⑤ You can now add sensors and other smart products that can communicate through your Smart Station.

NOTICE

Controlling this HomeKit-enabled accessory automatically and away from home requires a HomePod, an Apple TV with tvOS 11.3 or later, or an iPad with iOS 11.3 or later set up as a home hub.

Use of the Works with Apple HomeKit badge means that an electronic accessory has been designed to connect specifically to iPod touch, iPhone, or iPad, respectively, and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards.

WARRANTY DESCRIPTION

Thank you for purchasing this LifeSmart product. In order to protect your rights, please read the following content carefully: The warranty period of our company's products is one year from the date of purchase or longer if local laws impose a longer minimum term, in which case the minimum term is the warranty period. During the warranty period, any faults caused by the product itself or for quality problems that arise under normal usage, LifeSmart will provide a free replacement.

ATTENTION

The following conditions are not covered by the warranty:

- Product failure or damage caused by installation, use, and maintenance that is not in accordance with the product instructions;
- Products beyond the warranty period;
- Products that have the barcode tampered with or removed;
- Devices that have been tampered with or customized outside of LifeSmart Terms Of Service as on the LifeSmart App and website;
- User-caused damage, such as inappropriate voltage input, high temperature, accidental spillage, physical damage, etc;
- Product failure or damage caused by force majeure such as earthquakes, fires, or floods;
- Product failure or damage caused by other problems except the product itself.
